Selena: OH GO TO BED SHIT HEAD

me: about to

Selena: seriously

Selena: what time did you sleep last night

Selena: did you at all?

me: nope, but got a lot done

Selena: what have you accomplished

me: got most of column written, wrote great video game sample article, started another article with Catalina on her recent celibacy, played dwarf fortress

Selena: why catalina celibate

Selena: did she get hit too hard

me: sort of

Selena: maybe he knocked some sense into her.

me: I guess we'll find out soon

Selena: so she can leave him

me: she seems to have actually left him

Selena: well that's a good start

Selena: i'm sorry but if a dude clocked me on a regular basis, i'd have h im killed

me: yeah

me: she usually hits him first

Selena: well then she deserves getting whacked back

me: and she doesn't seem to mind the melees all that much

me: she's from Mexico, so

Selena: oh god

me: crazy latin romance

Selena: you're all insane

Selena: i swear to fucking god

me: who, southwesterners?

Selena: all of you

Selena: you're ALL NUTS

Selena: how are you still not asleep
